The spread at a glance

Each line runs from the lowest to the highest own printed price we read in that group, with the camp named at each end. There is no middle mark on purpose. Pounds at £1 = 44.88 baht (ECB euro reference rates, 28 Oct 2026).

One group class (drop-in)

฿300 Uppercuts Muay Thai — **฿550** LUDUS Sports Complex

A month, one class a day

฿4,900 Sor.Yingcharoenkarnchang — **฿8,500** Knockout Muay Thai Ao Nang

A month, two classes a day

฿7,000 Chor Ratchawat Muay Thai — **฿12,500** Knockout Muay Thai Ao Nang

Each band starts at ฿0 and has its own scale. Ends = lowest and highest own printed price we read, 29 Oct 2026.

One private session

฿400 Muay Thai Fever — **฿2,700** The Camp Muay Thai Resort

A week of training with a room

฿6,000 Monsoon Gym — **฿24,900** Khao Lak Muay Thai

A month of training with a room

฿15,000 Monsoon Gym — **฿88,600** Koh Fight

Each band starts at ฿0 and has its own scale. Ends = lowest and highest own printed price we read, 29 Oct 2026.

WHY WE DON'T PRINT AN AVERAGE

An average of 54 camps' prices describes no real camp. It hides the gap between one class a day and two, between a dorm and a private room, and between an island gym and a big Phuket camp. Pick the line that matches your trip, then read the full list on the next pages.
